

What Causes Industry Agglomeration? Evidence from Coagglomeration Patterns (AER, 2010)

By Ellison, Glaeser, and Kerr

Palermo Penano

April 7, 2017

- Why do firms cluster near one another?
- Location Vs. Coagglomeration ???
- Test Marshall's three theories of agglomeration
 - compare how important these forces are for increasing extent of agglomeration relative to the effect of location natural advantages on extent of agglomeration

Three types of transportation costs

- cost of moving goods
- cost of moving people
- cost of moving ideas

Three types of transportation costs

- These costs can be reduced by industrial agglomeration

EG Index

Did changing occupation barriers in India between 1983 and 2005 have a large macroeconomic effect?

OLS-Univariate

- Table 3 image
- focus on interpretation

OLS-Multivariate

- Table 4 image

Shortcomings

- how natural advantages is modeled
- panel or cross sectional? (i think it's just 1987)
